Public Notice - International Selection Procedure

PhD Scientific Researcher Recruitment (Initial Stage Researcher)

FCiências.ID/2021/IDL/1

(Reference H2020-IBA-SPACE-CHE2-2019 – 958927)

FCiências.ID - Associação para a Investigação e Desenvolvimento de Ciências, through its Chairman of the Board of Directors, hereby announces the opening of an international call for the recruitment of a scientific researcher with a PhD degree, in the framework of the “**CoCO2 - Prototype system for a Copernicus CO2 service**”, funded by the **European Union’s Horizon 2020 Research and Innovation Programme under Grant Agreement No 958927** in the form of an indefinite duration fixed-term employment contract, according to the Portuguese Labour Code and complementary legislation.

I - Admission Requirements

Portuguese nationals, foreign and stateless persons may submit applications to this selection procedure, provided they hold a doctoral degree¹ in atmospheric/environmental sciences or similar areas, and comply with the following requirements:

- a) Demonstrated scientific experience in at least one of the following areas: meteorology, remote sensing;
- b) Demonstrated experience in Earth system modelling: global/regional climate modelling and/or numerical weather prediction, and/or in Remote sensing applied to land-surface characteristics;
- c) The candidate must have programming skills in a high-level programming language (e.g. Fortran, C, C++, python) and Linux Shell scripting;
- d) Experience with high-performance computing platforms is desirable;
- e) Experience in land-surface modelling with particular focus on the representation of land cover and vegetation biogenic fluxes is desirable;
- f) Candidates must be able to work effectively in English.

¹ Please note that Degrees obtained in foreign countries need a Portuguese Recognition issued by a Portuguese high degree Institution, according to the [Decree-Law nr. 66/2018](#), of August 16th and the [Ministerial Order nr. 33/2019](#), of January 25th. The presentation of such Recognition is mandatory for contract signature. More information can be obtained in: <https://www.dges.gov.pt/en/pagina/degree-and-diploma-recognition>.

II. Applicable Law

1. Portuguese Labour Code, as approved by Law No. 7/2009, of February 12th, in its current version (CT);
2. Administrative Procedure Code, as published in Decree-Law No. 4/2015, of January 7th, in its current version (CPA).

III. Work Plan

The objective of the work plan is to contribute to CoCO2 work package 3 in developing a CO2 Monitoring and Verification Support at global scale focusing on the land surface model and data assimilation developments of the ECMWF Integrated Forecast System (IFS). This will include:

- Update the vegetation classification and land cover used by the IFS model as well as to include quasi-prognostic evolution of leaf area index in the IFS (task T3.3a);
- Benchmarking the system with near-surface parameters, focusing specifically on Numerical Weather Prediction Metrics (task T3.3a);

- Lead a validation report on the online global vegetation carbon fluxes (Deliverable D3.3);
- Integrate the model and data developments into the pre-operational system (task T6.5);

IV. Composition of the Jury

In accordance to article 13 of the RCD, the members of the jury are:

- President – Emanuel Dutra;
- 1st Member of the jury - Isabel Trigo;
- 2nd Member of the jury - Pedro Miranda;
- 1st Alternate Member of the jury – Ricardo Trigo;
- 2nd Alternate Member of the jury – Alexandre Ramos.

V. Place of work

Work will be developed at the facilities of the Research Center Instituto Dom Luiz (IDL) in Faculdade de Ciências da Universidade de Lisboa (FCUL, Campo Grande) and Instituto Português do Mar e Atmosfera (IPMA, Aeroporto), Lisbon, Portugal.

VI. Contract Duration

The full-time indefinite duration fixed-term employment contract is expected to start on September 2021, and will last until the Work Plan referred to in section III is completed. It will have an expected duration of 28 months, will not exceed the limits set in the CT, including an initial experimental trial period of 30 days.

VII. Monthly Allowance

The gross monthly salary corresponds to 2.134,73€, 2.392,96€, 2.702,83€ and 2.961,07€, corresponding to level 33, 38, 44 and 49, respectively, of the Single Remuneratory Table, as approved by Government Order No. 1553-C/2008, of December 31st, updated by the decree-law nr. 10-B/2020, of March 20th, according to the selected candidate's relevant professional experience in the category of Initial Level Research, plus holiday and Christmas allowances, as well as food allowance in the amount and conditions set out for workers with a legal employment relationship under the Labour Code.

VIII. Evaluation of applications

1. Failure to comply with the Admission Requirements implies the non-admission of candidates in absolute merit.
2. The final classification of candidates is given on a scale of 0 to 100%.
3. Evaluation of the relative merit of candidates, will rely on the following criteria:
 - a) Participation in relevant scientific projects in meteorology/remote sensing - 40%;
 - b) Scientific publications in meteorology/remote sensing - 40%;
 - c) Pedagogical and outreach activities, in particular in the context of promoting scientific practices, organization of courses, seminars and conferences, in the area - 10%;
 - d) Assessment of the references provided by the candidate - 10%;
 - e) Interview, if deemed necessary by the jury - 10%.

4. The jury may decide to interview the three best ranked candidates [in criteria a) to d) of paragraph 3)], for clarifications and improved explanations of curricular elements. If there is an interview, the sum of the classification obtained in the evaluation criteria a) to d) will correspond to 90% of the final classification and the interview will correspond to 10%.
5. The jury shall deliberate by means of a roll-call vote based on the evaluation criteria.
6. Minutes of the jury meetings are drawn up, summarizing all relevant elements considered by jury members, as well as their individual votes and justifications.
7. After completion of the evaluation process, the jury will draw up a ranking of successful candidates with their classifications.
8. Hiring will be decided by the Chairman of the Board of Directors of FCIências.ID, based on the final jury recommendation.
9. The evaluation results will be published on the website of the FCIências.ID ("Concursos" tab). The candidates will be individually notified of the evaluation results by e-mail sent to the address indicated in the "Personal Data" section of the submitted form.
10. With the notification referred to in paragraph 9, the hearing phase of interested parties referred to in Article 121 *et seq.* of the CPA will begin, and last for ten working days.
11. The possible pronouncement of the candidate in a prior hearing must be addressed to the President of the jury and submitted in writing to concursos@fciencias-id.pt. The President of the jury will convene a jury's meeting to produce the final decision, within thirty working days.
12. Within five working days of the final jury decision, the Chairman of the Board of Directors of FCIências.ID will approve it and the candidates will be notified.
13. The communication between FCIências.ID (concursos@fciencias-id.pt) and the candidates will be electronic and will comply with the following rules:
 - a) At the time of electronic submission of any document - namely in the case of paragraph no 11 - the candidates must generate proof of "sent message".
 - b) FCIências.ID will send an email message acknowledging documents received to the email address used by the candidates, within two working days.
 - c) In case of absence of a confirmation receipt by FCIências.ID – showing the possibility of technical problems that should neither be the responsibility of the candidate nor FCIências.ID - the candidates should contact FCIências.ID, with the proof referred to in point (a), to ensure delivery and proper receipt of the documents concerned.

IX. Compliance with public policies

1. FCIências.ID actively promotes a policy of non-discrimination and equal access, so that no candidate can be privileged, benefited, disadvantaged or deprived of any right or exempt from any duty due to, *inter alia*, ancestry, age, sex, sexual orientation, marital status, family status, economic situation, education, social origin or condition, genetic heritage, reduced working capacity, disability, chronic illness, nationality, ethnic origin or race, territory of origin, language, religion, political or ideological beliefs and trade union membership.
2. Under the terms of D.L. No. 29/2001, of February 3, a disabled candidate has a preference in equal classification, which prevails over any other legal preference. Candidates must declare their respective degree of disability, the type of disability and the means of communication / expression to be used in the selection process, under the terms of the above-mentioned diploma.

X. Submission of Applications

1. The present call will be open from 9th July 2021 to 29th July 2021.
2. The application and all the required documents may be submitted in Portuguese or English.
3. Applications will be submitted online, through the electronic platform of FCIências.ID (<http://concursos.fcienicias-id.pt>).
4. On the electronic platform, applicants will complete a *mandatory* section on Personal Data [name, address, date of birth, contact email, nationality and scientific identifiers] and upload files with the documents listed below:
 - i. Detailed *curriculum vitae* - *mandatory* - **CV may be provided in PDF format or through the CIÊNCIAVITAE system;**
 - ii. A motivation letter clearly demonstrating that the candidate has an adequate profile for the position and fully complies with the Admission Requirements - *mandatory*;
 - iii. Up to five publications relevant for the objectives of the Work Plan - *mandatory*;
 - iv. Digital copies of documents proving formal academic degrees (PhD) and/or other scientific and professional qualifications - original documents must be provided in case of actual recruitment - *mandatory*;
 - v. Other documents that candidates consider relevant for the assessment of their scientific merit, including reference letters, or to declare the personal situation in the cases covered in section IX-2 of this Notice - *optional*.
5. By decision of the Chairman of the Board of Directors of FCIências.ID, candidates who do not submit the documents identified in paragraph 4 will not be admitted to the call. In case of doubts, the Chairman may also invite candidates to substantiate specific data or statements with official supporting documents, before accepting the candidates' submission.

This Public Note was approved by the jury on 8th July 2021.
