Public Notice - International Selection Procedure

PhD Scientific Researcher Recruitment (Initial Stage Researcher)

FCiências.ID/2022/DL57/BioISI/1

FCiências.ID - Associação para a Investigação e Desenvolvimento de Ciências, through its Chairman of the Board of Directors, hereby announces the opening of an international call for the recruitment of a scientific researcher with a PhD degree, within the scope of the project PARKSIA: Target Specific Immunoaffinity Assay for translation of protein biomarkers into PARKinson's diagnostic (Ref. PTDC/BTM-TEC/28554/2017), financed by Fundação para a Ciência e a Tecnologia, I.P./MCTES through national funds (PIDDAC), in the form of an indefinite duration fixed-term employment contract on an exclusive regime, according to the Portuguese Labour Code and Decree-Law No. 57/2016, of August 29th, as amended by Law No. 57/2017, of July 19th.

I. Admission Requirements

Portuguese nationals, foreign and stateless persons may submit applications to this selection procedure, provided they hold a doctoral degree¹ in Life science, preferably in Chemistry, Biochemistry, Pharmaceutical or akin areas, and fully comply with the following requirements:

- a) Demonstrate experience in analysis and identification of molecules using high resolution mass spectrometry;
- b) Proficiency in spoken and written English.

¹ Please note that Degrees obtained in foreign countries need a Portuguese Recognition issued by a Portuguese high degree Institution, according to the [Decree-Law nr. 66/2018](#), of August 16th and the [Ministerial Order nr. 33/2019](#), of January 25th. The presentation of such Recognition is mandatory for contract signature. More information can be obtained in: <https://www.dges.gov.pt/en/pagina/degree-and-diploma-recognition>.

II. Preferential Requirements

- a) Experience in computational analysis of big data sets obtained by mass spectrometry;
- b) Knowledge of MaxQuant and Perseus platforms for proteomics analysis is highly desirable;
- c) Problem-solving skills;
- d) Successful candidate should demonstrate critical thinking, strong communication and collaborative skills and interest in working in interdisciplinary environment.

III. Applicable Law

1. Decree-Law No. 57/2016, of August 29th (RCD), in the wording conferred on it by Law No. 57/2017, of July 19th (RCD);

4. Administrative Procedure Code, as published in Decree-Law No. 4/2015, of January 7th, in its current version (CPA).

IV. Work Plan

The objectives of the work plan is: Perform shotgun proteomics analysis and identification of proteoforms of proteins linked to Parkinson's disease from biological samples particularly plasma and cerebrospinal fluid of the individuals with Parkinson's disease as well as perform supervised and

unsupervised statistical classification methods in order to determine omics-based classifiers of Parkinson's disease severity.

The work plan is included in tasks 3, 5, and 6 of the project PARKSIA: Target Specific Immunoaffinity Assay for translation of protein biomarkers into PARKinson's diagnostic (Ref. PTDC/BTM-TEC/28554/2017).

V. Composition of the Jury

In accordance to article 13 of the RCD, the members of the jury are:

- President - Vukosava Milic Torres, BioISI, FCUL;
- 1st Member of the jury - Helena Gaspar, BioISI, FCUL;
- 2nd Member of the jury - Ana Isabel Janeiro, BioISI, FCUL;
- 1st Alternate Member of the jury - Andreia Figueiredo, BioISI, FCUL;
- 2nd Alternate Member of the jury - Barbara Henriques, BioISI, FCUL.

VI. Place of work

Work will be developed at the facilities of Research Center BioISI – BioSystems & Integrative Sciences Institute, in Faculdade de Ciências da Universidade de Lisboa, Campo Grande, Lisbon, Portugal.

VII. Contract Duration

The full-time indefinite duration fixed-term employment contract is expected to start on march 2022, and will last until the Work Plan referred to in section IV is completed. It will have an expected duration of 6 months, will not exceed the limits set in the RCD, including an initial experimental trial period of 30 days.

IX. Evaluation of applications

1. Failure to comply with the Admission Requirements implies the non-admission of candidates in absolute merit.
2. According to article 5 of the RCD, the selection of the candidates approved in absolute merit will rely on the evaluation of their scientific and curricular achievements in the last five years, taking into consideration the quality and relevance of the scientific production, and the professional activity indicated as more relevant by the candidate, for the project.
3. Based on the assessment of the candidates' scientific and curricular background in the last 5 years, each member of the jury presents a justified proposal for admission (final classification equal to or greater than 50%) or exclusion (final classification below 50%) for each candidate, according to the evaluation criteria referred to in paragraph 5.

4. The final classification of candidates is given on a scale of 0 to 100%.
5. Evaluation of the relative merit of candidates, will rely on the following criteria:
 - a) Participation in relevant scientific projects in the area based in the CV of the candidate - 25%;
 - b) Scientific publications in the area based on evidence exhibited in the CV - 25%;
 - c) Experience in analysis and identification of molecules using high resolution mass spectrometry - 30%;
 - d) Pedagogical and outreach activities, in particular in the context of promoting scientific practices, organization of courses, seminars and conferences, in the area - 5%;
 - e) Assessment of the references provided by the candidate and the motivation letter (where the candidates need to present their motivation and perspective of future scientific work and outcomes) - 15%;
 - f) Interview, if deemed necessary by the jury - 10%.
6. The jury may decide to interview the three best ranked candidates [in criteria a) to e) of paragraph 5)], for clarifications and improved explanations of curricular elements. If there is an interview, the sum of the classification obtained in the evaluation criteria a) to e) will correspond to 90% of the final classification and the interview will correspond to 10%.
7. The jury shall deliberate by means of a roll-call vote based on the evaluation criteria.
8. Minutes of the jury meetings are drawn up, summarizing all relevant elements considered by jury members, as well as their individual votes and justifications.
9. After completion of the evaluation process, the jury will draw up a ranking of successful candidates with their classifications.
10. Hiring will be decided by the Chairman of the Board of Directors of FCIências.ID, based on the final jury recommendation.
11. The evaluation results will be published on the website of the FCIências.ID ("Concursos" tab). The candidates will be individually notified of the evaluation results by e-mail sent to the address indicated in the "Personal Data" section of the submitted form.
12. With the notification referred to in paragraph 11, the hearing phase of interested parties referred to in Article 121 *et seq.* of the CPA will begin, and last for ten working days.
13. The possible pronouncement of the candidate in a prior hearing must be addressed to the President of the jury and submitted in writing to concursos@fciencias-id.pt. The President of the jury will convene a jury's meeting to produce the final decision, within thirty working days.
14. Within five working days of the final jury decision, the Chairman of the Board of Directors of FCIências.ID will approve it and the candidates will be notified.
15. The communication between FCIências.ID (concursos@fciencias-id.pt) and the candidates will be electronic and will comply with the following rules:
 - a) At the time of electronic submission of any document - namely in the case of paragraph no 12 - the candidates must generate proof of "sent message".
 - b) FCIências.ID will send an email message acknowledging documents received to the email address used by the candidates, within two working days.
 - c) In case of absence of a confirmation receipt by FCIências.ID – showing the possibility of technical problems that should neither be the responsibility of the candidate nor FCIências.ID - the candidates should contact FCIências.ID, with the

proof referred to in point (a), to ensure delivery and proper receipt of the documents concerned.

X. Compliance with public policies

1. FCIências.ID actively promotes a policy of non-discrimination and equal access, so that no candidate can be privileged, benefited, disadvantaged or deprived of any right or exempt from any duty due to, inter alia, ancestry, age, sex, sexual orientation, marital status, family status, economic situation, education, social origin or condition, genetic heritage, reduced working capacity, disability, chronic illness, nationality, ethnic origin or race, territory of origin, language, religion, political or ideological beliefs and trade union membership.
2. Under the terms of D.L. No. 29/2001, of February 3, a disabled candidate has a preference in equal classification, which prevails over any other legal preference.
