Public Notice - International Selection Procedure

PhD Scientific Researcher Recruitment (Initial Stage Researcher)

FCiências.ID/2022/DL57/BioISI/1

FCiências.ID - Associação para a Investigação e Desenvolvimento de Ciências, through its Chairman of the Board of Directors, hereby announces the opening of an international call for the recruitment of a Scientific Researcher with a PhD degree, in the category of Initial Stage Researcher of the FCiências.ID Scientific Research Career, within the scope of the project viscoelasticCell: Células Viscoelásticas - Novas metodologias experimentais com base em microscopia de força atómica (Ref. viscoelasticCell: Células Viscoelásticas - Novas metodologias experimentais com base em microscopia de força atómica), financed by Fundação para a Ciência e a Tecnologia, I.P./MCTES through national funds (PIDDAC), in the form of an indefinite duration fixed-term employment contract on an exclusive regime, according to the Portuguese Labour Code and Decree-Law No. 57/2016, of August 29th, as amended by Law No. 57/2017, of July 19th.

I. Admission Requirements

Portuguese nationals, foreign and stateless persons may submit applications to this selection procedure, provided they hold a doctoral degree¹ in Biophysics, Physics and Engineering Physics, and fully comply with the following requirements:

- a) Interest in developing experimental work in the field of mechanobiology, in particular using atomic force microscopy techniques complemented with fluorescence microscopy – Information provided in the motivation letter;
- b) Demonstrated experience in the use of experimental atomic force microscopy techniques - Information provided in the CV;
- c) Ability to interpret and apply theoretical models - Information provided in the CV.

¹ Please note that Degrees obtained in foreign countries need a Portuguese Recognition issued by a Portuguese high degree Institution, according to the [Decree-Law nr. 66/2018](#), of August 16th and the [Ministerial Order nr. 33/2019](#), of January 25th. The presentation of such Recognition is mandatory for contract signature. More information can be obtained in: <https://www.dges.gov.pt/en/pagina/degree-and-diploma-recognition>.

II. Preferential Requirements

- a) R&D activity in atomic force microscopy or other experimental activity in animal cells - Information provided in the CV;
- b) Experience in participation in scientific projects in the scientific area of this contest - Information provided in the CV;
- c) Scientific experience in the scientific area of this call, demonstrated by the quality and number of scientific articles published in peer-reviewed scientific journals - Information provided in the CV;
- d) Proficiency in Portuguese and English (written and spoken) – information provided on the CV.

III. Applicable Law

1. Decree-Law No. 57/2016, of August 29th (RCD), in the wording conferred on it by Law No. 57/2017, of July 19th (RCD);

IV. Work plan

The work plan is included in the objectives of the project PTDC/FIS-MAC/2741/2021 and comprises the following tasks: Measurement of the mechanical properties of wild and altered cells using atomic force microscopy (task 5); Fluorescence microscopy characterization of the cytoskeleton of altered cells, as well as participation in the cell alteration process (task 4).

V. Composition of the Jury

In accordance to article 13 of the RCD, the members of the jury are:

- President – Mário Rodrigues (Assistan Professor, BioISI/FCUL);
- 1st Member of the jury – M. Godinho (Full Professor, dF/FCUL);
- 2nd Member of the jury – M. M. Cruz (Associate Professor, BioISI/FCUL);
- 1st Alternate Member of the jury – Liliana Ferreira (Assistan Professor, BioISI/FCUL);
- 2nd Alternate Member of the jury - Federico Herrera (Assistant Professor, BioISI/FCUL).

VI. Place of work

Work will be developed at the facilities of Research Center BioISI – BioSystems & Integrative Sciences Institute, in Campo Grande, Lisboa, Portugal.

VII. Contract Duration

The full-time indefinite duration fixed-term employment contract is expected to start in January 2023, and will last until the Work Plan referred to in section IV is completed. It will have an expected duration of 24 months, will not exceed the limits set in the RCD, including an initial experimental trial period of 30 days.

IX. Evaluation of applications

1. Failure to comply with the Admission Requirements implies the non-admission of candidates in absolute merit.
2. According to article 5 of the RCD, the selection of the candidates approved in absolute merit will rely on the evaluation of their scientific and curricular achievements in the last five years, taking into consideration the quality and relevance of the scientific production, and the professional activity indicated as more relevant by the candidate, for the project.
3. Based on the assessment of the candidates' scientific and curricular background in the last five years, each member of the jury presents a justified proposal for admission (final classification equal to or greater than 70%) or exclusion (final classification below 70%) for each candidate, according to the evaluation criteria referred to in paragraph 5.
4. The final classification of candidates is given on a scale of 0 to 100%.

5. Evaluation of the relative merit of candidates, will rely on the following criteria:
 - a) Participation in relevant scientific activities in the area of this call - 35%;
 - b) Scientific publications in the area of this call - 15%;
 - c) Motivation letter – 20%;
 - d) Demonstrated experimental profile - 20%;
 - e) Assessment of the references provided by the candidate - 10%;
 - f) Interview, if deemed necessary by the jury - 10%.
6. The jury may decide to interview the 3 best ranked candidates [in criteria a) to e) of paragraph 5], for clarifications and improved explanations of curricular elements. If there is an interview, the sum of the classification obtained in the evaluation criteria a) to e) will correspond to 90% of the final classification and the interview will correspond to 10%.
7. The jury shall deliberate by means of a roll-call vote based on the evaluation criteria.
8. Minutes of the jury meetings are drawn up, summarizing all relevant elements considered by jury members, as well as their individual votes and justifications.
9. After completion of the evaluation process, the jury will draw up a ranking of successful candidates with their classifications.
10. Hiring will be decided by the Chairman of the Board of Directors of FCIências.ID, based on the final jury recommendation.
11. The evaluation results will be published on the website of the FCIências.ID ("Concursos" tab). The candidates will be individually notified of the evaluation results by e-mail sent to the address indicated in the "Personal Data" section of the submitted form.
12. With the notification referred to in paragraph 11, the hearing phase of interested parties referred to in Article 121 *et seq.* of the CPA will begin, and last for ten working days.
13. The possible pronouncement of the candidate in a prior hearing must be addressed to the President of the jury and submitted in writing to concursos@fciencias-id.pt. The President of the jury will convene a jury's meeting to produce the final decision, within thirty working days.
14. Within five working days of the final jury decision, the Chairman of the Board of Directors of FCIências.ID will approve it and the candidates will be notified.
15. The communication between FCIências.ID (concursos@fciencias-id.pt) and the candidates will be electronic and will comply with the following rules:
 - a) At the time of electronic submission of any document - namely in the case of paragraph no 13 - the candidates must generate proof of "sent message".
 - b) FCIências.ID will send an email message acknowledging documents received to the email address used by the candidates, within two working days.
 - c) In case of absence of a confirmation receipt by FCIências.ID – showing the possibility of technical problems that should neither be the responsibility of the candidate nor FCIências.ID - the candidates should contact FCIências.ID, with the proof referred to in point (a), to ensure delivery and proper receipt of the documents concerned.

X. Compliance with public policies

1. FCIências.ID actively promotes a policy of non-discrimination and equal access, so that no candidate can be privileged, benefited, disadvantaged or deprived of any right or exempt from any duty due to, *inter alia*, ancestry, age, sex, sexual orientation, marital status, family status, economic situation, education, social origin or condition, genetic heritage, reduced working capacity, disability, chronic illness, nationality, ethnic origin or race, territory of origin, language, religion, political or ideological beliefs and trade union membership.
2. Under the terms of D.L. No. 29/2001, of February 3rd, a disabled candidate has a preference in equal classification, which prevails over any other legal preference. Candidates must

declare their respective degree of disability, the type of disability and the means of communication / expression to be used in the selection process, under the terms of the above-mentioned diploma.
