Public Notice - International Selection Procedure

Recruitment of an Auxiliar Technician with the 12th grade (employment contract)

FCiências.ID/2024/CENTRA/1

FCiências.ID - Associação para a Investigação e Desenvolvimento de Ciências, through its Chairman of the Board of Directors, hereby announces the opening of an international call for the recruitment of an Auxiliar Technician with the 12th grade, of the FCiências.ID Science and Technology Management Career, within the scope of the project “SPACIOUS: Science Platform Cloud Infrastructure for Outsize Usage Scenarios” (Ref. HORIZON-CL4-2023-SPACE-01 - GA 101135205), financed by the European Union’s Horizon Europe research & innovation programme under the Grant Agreement No. 101135205, in the form of a(n) indefinite duration fixed-term employment contract, on an exclusive regime, according to the Portuguese Labour Code and complementary legislation.

I. Admission Requirements

Portuguese nationals, foreign and stateless persons may submit applications to this selection procedure, provided they hold the 12th grade¹, and fully comply with the following requirements:

- a) More than 15 years of professional experience in analysis, design and programming in Java - information provided in the CV and/or in the motivation letter;
- b) Demonstrated experience in JavaScript and model–view–controller design of web applications - information provided in the CV and/or in the motivation letter;
- c) Demonstrated experience in Software version control with SVN and Git, continuous integration with Jenkins, and code quality management with SonarQube - information provided in the CV and/or in the motivation letter;
- d) Demonstrated experience in the installation, configuration and migration of Jenkins - information provided in the CV and/or in the motivation letter;
- e) Demonstrated experience in SQL, Python - information provided in the CV and/or in the motivation letter;
- f) Demonstrated experience in the development of software for visualisation and data analysis - information provided in the CV and/or in the motivation letter;
- g) Knowledge of R - information provided in the CV and/or in the motivation letter;
- h) Experience in analysis of astronomical photometry and astrometry - information provided in the CV and/or in the motivation letter;
- i) Proficiency in Portuguese - information provided in the CV and/or in the motivation letter.

¹ Please note that Degrees obtained in foreign countries need a Portuguese Recognition issued by a Portuguese high degree Institution, according to the [Decree-Law nr. 66/2018](#), of August 16th and the [Ministerial Order nr. 33/2019](#), of January 25th. The presentation of such Recognition is mandatory for contract signature. More information can be obtained in: <https://www.dges.gov.pt/en/pagina/degree-and-diploma-recognition>.

II. Preferential Requirements

- a) Experience in programming for Android - information provided in the CV and/or in the motivation letter;
- b) Scientific publications in Astronomy - information provided in the CV and/or in the motivation letter.

III. Applicable Law

1. Portuguese Labour Code, as approved by Law No. 93/2019, of September 04th, in its current version (CT);
2. Administrative Procedure Code, as published in Decree-Law No. 4/2015, of January 7th, in its current version (CPA).

IV. Work plan

The workplan consists on the tasks of the SPACIOUS workpackages listed below.

WP5 - User Framework:

- a) Development of a scalable visualization platform for interactive exploration of the (big) data stored in the SPACIOUS platform. The work includes the development of the backend and of web based and (programmatic) python front-ends. The platform will build upon the existing "Gaia Archive Visualization Service", of the European Space Agency Gaia mission archive.
- b) Pre-computing views for offering detail on demand and indexing of the data in a custom NoSQL database optimized for visualization data retrieval.
- c) Integration with the SPACIOUS Big Data Analytics Platform (BDAF) and Cloud services.
- d) Production of tutorials, guides and examples for the usage of the visualization platform.

WP7 - Communication, Dissemination and Exploitation:

- a) Production of data visualizations for use in the communication and dissemination the SPACIOUS project.

Work will require travelling to attend SPACIOUS consortium meetings. In addition, the work plan will require compliance with milestones deadlines as well as delivering reports, so a strong organisational capacity and effective time management are expected.

V. Composition of the Jury

The members of the jury are:

- President - Prof. Dr. André Moitinho de Almeida, Faculdade de Ciências da Universidade de Lisboa;
- 1st Member of the jury - Prof. Dr. António Amorim, Faculdade de Ciências da Universidade de Lisboa;
- 2nd Member of the jury - Prof. Dr. Paulo Garcia, Faculdade de Engenharia da Universidade do Porto;
- 1st Alternate Member of the jury - Prof. Dr. José Figueiredo, Faculdade de Ciências da Universidade de Lisboa;
- 2nd Alternate Member of the jury - Dr. Koraljka Muzic, Faculdade de Ciências da Universidade de Lisboa.

VI. Place of work

Work will be developed at the facilities of Research Center CENTRA-Ciências – Center for Astrophysics and Gravitation , in Campo Grande, Lisboa, Portugal.

VII. Contract Duration

The indefinite duration fixed-term employment contract, on an exclusive regime, is expected to start in September 2024, and will last until the Work Plan referred to in section IV is completed. It will have an expected duration of 16 months, will not exceed the limits set in the CT, including an initial experimental trial period of 30 days.

VIII. Monthly Allowance

The gross monthly salary corresponds to 3.391,46 Euros, corresponding to level 53 of the Single Remuneratory Table, as approved by Government Order No. 1553-C/2008, of December 31st, in its current version, on an exclusive regime on which legal discounts will apply, plus holiday and Christmas allowances, as well as food allowance in the amount and conditions set out for workers with a legal employment relationship under the Labour Code.

IX. Evaluation of applications

1. Failure to comply with the Admission Requirements implies the non-admission of candidates in absolute merit.
2. The final classification of candidates is given on a scale of 0 to 100%.

3. Based on the assessment of the candidates' scientific and curricular background, each member of the jury presents a justified proposal for admission (final classification equal to or greater than 85%) or exclusion (final classification below 85%) for each candidate, according to the evaluation criteria referred to in no. 4..
4. Evaluation of the relative merit of candidates, will rely on the following criteria:
 - a) Experience in the software areas listed in the call requirements (sections I and II) - 75%;
 - b) Experience in astronomical data analysis - 15%;
 - c) Letter of motivation - 10%;
 - d) Interview, if deemed necessary by the jury - 30%
5. The jury may decide to interview the 3 best ranked candidates [in criteria a) to c) of no. 4, for clarifications and improved explanations of curricular elements. If there is an interview, the sum of the classification obtained in the evaluation criteria a) to c) will correspond to 70% of the final classification and the interview will correspond to 30%.
6. The jury shall deliberate by means of a roll-call vote based on the evaluation criteria.
7. Minutes of the jury meetings are drawn up, summarizing all relevant elements considered by jury members, as well as their individual votes and justifications.
8. After completion of the evaluation process, the jury will draw up a ranking of successful candidates with their classifications.
9. Hiring will be decided by the Chairman of the Board of Directors of FCIências.ID, based on the final jury recommendation.
10. The evaluation results will be published on the website of the FCIências.ID ("Concursos" tab). The candidates will be individually notified of the evaluation results by e-mail sent to the address indicated in the "Personal Data" section of the submitted form.
11. With the notification referred to in no. 10, the hearing phase of interested parties referred to in Article 121 *et seq.* of the CPA will begin, and last for ten working days.
12. The possible pronouncement of the candidate in a prior hearing must be addressed to the President of the jury and submitted in writing to concursos@fciencias-id.pt. The President of the jury will convene a jury's meeting to produce the final decision, within thirty working days.
13. Within five working days of the final jury decision, the Chairman of the Board of Directors of FCIências.ID will approve it and the candidates will be notified.
14. The communication between FCIências.ID (concursos@fciencias-id.pt) and the candidates will be electronic and will comply with the following rules:
 - a) At the time of electronic submission of any document - namely in the case of no. 12 - the candidates must generate proof of "sent message".
 - b) FCIências.ID will send an email message acknowledging documents received to the email address used by the candidates, within two working days.
 - c) In case of absence of a confirmation receipt by FCIências.ID – showing the possibility of technical problems that should neither be the responsibility of the candidate nor FCIências.ID - the candidates should contact FCIências.ID, with the proof referred to in point (a), to ensure delivery and proper receipt of the documents concerned.

X. Processing of personal data

1. FCIências.ID - Associação para a Investigação e Desenvolvimento de Ciências, as the responsible for processing the personal data, in accordance with the [General Data Protection Regulation](#), collects and processes the personal data requested in the context the job application, under paragraphs b) and c) of Article 6.1 of the General Data Protection Regulation (RGPD).
2. The personal data shall be kept for the period necessary for the execution of the purposes for which they are intended, and the processing and protection, in an appropriate and diligent manner, of the confidentiality and integrity of such data shall be ensured through appropriate technical and organisational measures.

3. Personal data may be transmitted to third parties, namely the entity funding the research project, solely for the purposes specifically established. In this sense, whenever necessary the transfer of personal data to countries outside the European Union and/or international organizations, compliance with the applicable legal provisions shall be ensured.
4. You have the right to request access, rectification, erasure, limitation of processing, the right to object and also data portability (if technically feasible) by sending an e-mail to: dpo@fciencias-id.pt. You also have the right to lodge a complaint with the National Data Protection Commission.
5. For more information, we recommend that you consult the Internal Rules of Data Protection of FCIências.ID - Association for Research and Development of Sciences at <https://fciencias-id.pt/>.

XI. Compliance with public policies

1. FCIências.ID actively promotes a policy of non-discrimination and equal access, so that no candidate can be privileged, benefited, disadvantaged or deprived of any right or exempt from any duty due to, inter alia, ancestry, age, sex, sexual orientation, marital status, family status, economic situation, education, social origin or condition, genetic heritage, reduced working capacity, disability, chronic illness, nationality, ethnic origin or race, territory of origin, language, religion, political or ideological beliefs and trade union membership.
2. Under the terms of D.L. No. 29/2001, of February 3rd, a disabled candidate has a preference in equal classification, which prevails over any other legal preference. Candidates must declare their respective degree of disability, the type of disability and the means of communication / expression to be used in the selection process, under the terms of the above-mentioned diploma.

XII. Submission of Applications

1. The present call will be open from the 15th of July 2024 to the 26th of July 2024.
2. The application and all the required documents must be submitted in Portuguese or English.
3. Applications will be submitted online, through the electronic platform of FCIências.ID (<http://concursos.fciencias-id.pt>).
4. On the electronic platform, applicants will complete a mandatory section on Personal Data [name, address, date of birth, contact email, nationality and scientific identifiers] and upload files with the documents listed below:
 - i. Detailed *curriculum vitae* in PDF format - *mandatory*;
 - ii. A motivation letter clearly demonstrating that the candidate has an adequate profile for the position and fully complies with the Admission Requirements - *mandatory*;
 - iii. Digital copies of documents proving formal academic degrees required in the call and/or other scientific and professional qualifications - original documents must be provided in case of actual recruitment - *mandatory*;
 - iv. Other documents that candidates consider relevant for the assessment of their scientific merit, or to declare the personal situation in the cases covered in section XI-2 of this Notice - *optional*.
5. By decision of the Chairman of the Board of Directors of FCIências.ID, candidates who do not submit the documents identified in no. 4 will not be admitted to the call. In case of doubts, the Chairman may also invite candidates to substantiate specific data or statements with official supporting documents, before accepting the candidates' submission.

This Public Note was approved by the jury on the 11th of July 2024.
