IX. Evaluation of applications

1. Failure to comply with the Admission Requirements implies the non-admission of candidates in absolute merit.
2. According to article 5 of the RCD, the selection of the candidates approved in absolute merit will rely on the evaluation of their scientific and curricular achievements in the last five (5) years, taking into consideration the quality and relevance of the scientific production, and the professional activity indicated as more relevant by the candidate, within the scope of the project.
3. Based on the assessment of the candidates' scientific and curricular background in the last five (5) years, each member of the jury presents a justified proposal for admission (final classification equal to or greater than 80%) or exclusion (final classification below 80%) for each candidate, according to the evaluation criteria referred to in no. 5.
4. The final classification of candidates is given on a scale of 0 to 100%.
5. Evaluation of the relative merit of candidates, will rely on the following criteria:
 - a) Scientific publications in the field of the call – 10%
 - b) Motivation letter – 5%
 - c) Participation in scientific projects in the field of the call – 10%
 - d) Teaching, outreach, and knowledge dissemination activities, particularly in the context of promoting scientific practices, organizing courses, seminars, and conferences related to the field of the call – 10%
 - e) Evaluation of reference letter(s) – 5%
 - f) Evaluation of the selection of relevant publications related to the objectives and requirements of the work plan – 10%
 - g) Experience in sample preparation for electron microscopy – 5%
 - h) Experience in sample preparation for DNA extraction, amplification, and purification – 5%
 - i) Experience in phylogenetic analysis of microalgae – 10%
 - j) Professional experience in managing marine microalgae cultures in the laboratory – 15%
 - k) Fluency in Portuguese, both written and spoken – 10%
 - l) Fluency in English, both written and spoken – 5%
 - m) Interview, if deemed necessary by the jury - 10%
6. The jury may decide to interview the 2 best ranked candidates [in criteria a) to l) of no. 5], for clarifications and improved explanations of curricular elements. If there is an interview, the sum of the classification obtained in the evaluation criteria a) to l) will correspond to 90% of the final classification and the interview will correspond to 10%.
7. The jury shall deliberate by means of a roll-call vote based on the evaluation criteria.
8. Minutes of the jury meetings are drawn up, summarizing all relevant elements considered by jury members, as well as their individual votes and justifications.
9. After completion of the evaluation process, the jury will draw up a ranking of successful candidates with their classifications.
10. Hiring will be decided by the Chairman of the Board of Directors of FCiências.ID, based on the final jury recommendation.
